SIR:

The undersigned counsel's law firm received a Corrected Filing Receipt dated June 28, 2004 which indicated that the above captioned application would be published September 1, 2005. On the Notice of Allowance dated March 31, 2005 which indicated a publication fee of \$300.00 was due on June 30, 2005. On June 14, 2005 the undersigned counsel submitted the Payment of Issue fee along with the Publication Fee of \$300.00 (copy of cancelled check attached).

The Patent for the above referenced case issued August 30, 2005 and the application was never published. Since the application issued before ever being published, it is submitted that the \$300.00 Publication Fee paid by the application was in error.

It is therefore believed that the \$300.00 fee was paid in error, and a refund of this amount is respectfully requested. This refund is requested to be effected by crediting the Deposit Account No. 501519 in the amount of \$300.00.

A duplicate copy of this sheet is attached. If there is some other reason for the charge of \$300.00, we would appreciate being advised of the specifics.
